

MARCONI VALVES

TYPE PT 235

Approximate Operating Data—Neglecting Resistance of Output Circuit.

| Anode Volts | Screen Volts | Negative Grid Bias Volts | Average Anode Current in milliamperes |
|-------------|--------------|--------------------------|---------------------------------------|
| 150 | 150 | 9 | 16 |
| 120 | 100 | 6 | 9 |
